Our Katrina experience was:

Our home got 5 feet of water which we lost all of our belongings including furniture, clothes & appliances. We have to completely start our lives over. All we've got from fema was a bunch of promises. We still have our family and we are still together. Thank God.

Write something special that you would like Santa to bring you or your family:

Our kids would like a portable play station (PSP) an I-pod, and electric motor cycle and some new clothes and shoes to wear to school. We thank you [redacted] for not forgetting about us as the rest of the world seems to have.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:
